Overview

The Government of Maharashtra, through the District Women and Child Development Officer (WCD) of Mumbai City, has issued a mandatory directive for all private establishments employing 10 or more employees to register their Internal Complaints Committees (ICCs) on the SHE-Box portal by May 15, 2025.

This requirement stems from the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 (**POSH Act**), which is the primary legislation aimed at preventing and addressing sexual harassment against women at the workplace in India.

Under the POSH Act:

- Every establishment with 10 or more employees is legally required to constitute an ICC.
- The ICC is the first point of contact for addressing complaints of sexual harassment within the workplace.
- The ICC is responsible for conducting inquiries and recommending appropriate actions to ensure a safe, secure, and harassment-free work environment.

Legal Background: POSH Act Requirements

The POSH Act, 2013 imposes a legal obligation on all workplaces (public and private) with 10 or more employees to:

- Establish an Internal Complaints Committee (Section 4)
- Ensure the ICC is functional, impartial, and accessible
- Take complaints of sexual harassment seriously and act upon them per statutory timelines

Failure to comply can lead to:

- A penalty of up to ₹50,000 (Section 26)
- Enhanced penalties for repeated violations
- Potential cancellation of business licenses

New Compliance Requirement: SHE-Box Registration

The SHE-Box (Sexual Harassment Electronic Box) is an initiative of the Ministry of Women and Child Development. It is:
