

Our Managing Partner, Shiju PV, discussing the evolving Tata Sons vs Tata Trusts governance issue on CNBC TV18

AUTHOR IndiaLaw LLP

PUBLISHED 18 September 2026

The discussion explored the legal and corporate-governance questions surrounding the reappointment of N. Chandrasekaran, the special affirmative rights under Tata Sons' Articles, the fiduciary duties of nominee directors, the role of shareholders, and the implications of a potential listing of Tata Sons.

An important corporate-governance debate with implications well beyond the immediate dispute.
